Satisfy All Your Cravings

There's nothing quite like sharing a great meal with your colleagues, clients and good friends.

Amerisports Brew Pub – Designed to look like a converted old world foundry, our Brew Pub contains a 52-screen audio-visual system and the biggest indoor television in Kansas City at 30-foot-wide by 10-foot-tall. For a one-of-a-kind social experience, treat your group to a very special night out. We can arrange a beer tasting with our very own Brewmaster where your attendees will sample all of our handcrafted, award-winning Amerisports brews. Guests can enjoy a cold brew and a selection from a hearty menu of all-American favorites.

Falcon Bakery & Diner – Falcon Bakery & Diner features fresh-baked pastries and desserts. Hot breakfast and lunch items are served 7a to 1p daily. Group seating is available upon request.

Great Plains Cattle Company – Accented by a duo of welcoming fireplaces, a soaring main dining area that boasts weathered crossbeams of old barn timber and wagon-wheel chandeliers, the Great Plains Cattle Company at Ameristar Casino Hotel Kansas City pays homage to the rough-and-ready past of the American West. The experience of dining here, in seats of distressed leather and among classic western art, is unexpectedly refined. Choose from such favorites as our Lump Crab Cakes, Cedar Plank Roast Salmon, 16 oz. Prime Kansas City Strip and Miso Roasted Sea Bass – and don't forget to peruse our well-chosen wine list. A private dining room is available.

Pearls Oyster Bar – Pearl's offers your guests Creole and Cajun culture and cuisine with fresh seafood as its main attraction. Its specialty dishes range from fresh oysters to signature pan roasts. The setting is reminiscent of a simple turn-of-the-century house porch unlike any other venue in Kansas City.

Horizons Buffet – At Horizons Buffet guests travel from one dining station to another, sampling cuisines from all over the world. At some stations, interactive cooking is on display. Over at the Asian station, a chef might be whipping up some Shanghai Chicken in a sizzling wok while, at its Italian counterpart, the chef tosses grated parmesan into a steaming dish of Fettuccine Alfredo. The choices here seem limitless, from fresh, crisp salads to Kansas City barbecue and scrumptious dessert bar. Private dining rooms are also available upon request for groups up to 120.

In addition to our one-of-a-kind restaurants, Ameristar also offers your guests the **Delilux**, **Big Tony's Pizza and Burger King**.

Room Service – For those who wish to relax and dine in their suites, Room Service is just a quick call away.
